SUBJECT: Call for Volunteers

The APWA Utah Chapter gets its strength, drive and passion from its members. As such, we need our members to continue their dedication to the Chapter and Branches by volunteering their time. We already have many wonderful volunteers who give of their time and resources to keep our Chapter and Branches functioning effectively. But we can always use new faces to pick up where other have left off and to fill some gaps that we currently haven't filled. Several individuals have expressed the desire to volunteer but didn't know where they might fit in.

We have several great opportunities to network with fellow colleagues while making the APWA programs and mission successful. Being a volunteer also give you access to resources from APWA as well as from other members' experience that you otherwise would not have available. Please see the attached list of our Chapter committees and task forces that need volunteer help and/or leadership. If you find something you are interested in, please contact me and we'll get you plugged into the organization.

Thank you for your efforts to make our Chapter and Branches great!

A handwritten signature in cursive script that reads "Tena Campbell".

Tena Campbell, P.E.
Utah Chapter President
