Brent Ventura, Utah Chapter of  
APWA Board of Directors,  
Committee Leaders and Industry Friends,

RE: Letter of Resignation

Dear Brent, et. al,

With 15 years behind me, it's time to render my resignation, and not seek a reappointment to the position of the State Chapter Secretary.

As mentioned in previous conversations with you and other members of the Board, I truly believed that the growth of the organization depends on my departure. I'm confident that the programs developed by the organization, and continued growth of operations, requires much more than a "volunteer" can physically contribute to the Utah Chapter of APWA.

Of course, this comes on the eve of new responsibilities with my employer, which will require my undivided focus and dedication.

To ensure the transition is as smooth as possible, I will response to questions from the Board, and a new Chapter Secretary. Finally, I will assist the Utah Snow Conference Committee and see through the Chapter's commitment to the National Snow Conference.

I am sincerely grateful to many people who have supported me over the last 15 years, particularly Kevyn Smeltzer, Trace Robinson, Mike Gladbach, Matt Cassel, Mike Riddle, Jason Jones, Randy Wahlen, Ed Rufener, Ben Roueche, Tyler Shelley, Ryan Horsley, Chris Thompson, Chuck Gillette, Rick Snyder, Justin Maughn, Ted Mickelsen, and many others. This experience has provided me with skillful planning, facilitation, and leadership capabilities, which I may have not gained otherwise.

Wishing you all good tidings with the New Year.

Respectfully,

Angela M. Richey
