

**City Engineer
Salt Lake City, UT**

With the incomparable Wasatch Mountains to the east, Salt Lake City, Utah, (pop. 192,672) is one of the most scenic, vibrant cities in the West. Open, diverse, and progressive, the City was named No. 10 of the top 100 Best Places to Live by *U.S. News and World Report*. Residents enjoy major metropolitan area amenities, plus year-round outdoor recreation, with world-class skiing nearby. The City Engineer heads the Engineering Division, one of five divisions within the Department of Community and Neighborhoods, and reports to the CAN Director. The Division (43 FTEs in five work groups) has a FY 2017-18 budget of \$4.85 million. Bachelor's degree in engineering, plus certification as a Professional Engineer in Utah (registration within one year if out-of-state), and ten years' experience are required. Public sector, public works, and three years' supervisory experience preferred. Salary range \$110,000 to \$130,000, with comprehensive benefits.
