

2019 North America Snow Conference, May, 2019
Presented by the American Public Works Association
Hosted by the Utah Chapter

Dear Sponsor,

The Utah Chapter of American Public Works Association would like to take this opportunity to invite you to the American Public Works Association's 2019 North American Snow Conference. It will be held in Salt Lake City, Utah, May 19-22, 2019.

The Utah Chapter annually appeals to member firms and partners for sponsorships to assist in funding our Chapter conferences and training programs. We are grateful for all the financial support that is given to the Chapter. At this time, we would ask you to consider providing additional support for the National Snow Conference.

This event attracts over 2000 participants from across the United States and Canada. In addition, we anticipate a strong daily showing of the Utah Public Works Community at the conference. As you may know, having attended the 2018 North American Snow Conference in Indianapolis, this will create a significant one-time expense for the Utah Chapter. Therefore, we are seeking financial support from all annual sponsors and those who may have specific interest in the Conference.

If you are able to assist the Utah Chapter with the 2019 North American Snow Conference in Salt Lake City, in addition to regular Chapter events, please review the attached form to select your desired level of support for the Conference. Your support will enable the Utah Chapter to successfully see the Salt Lake City Snow Conference next year is the best that it can be. To assist you and your company in sponsoring this event your contributions can be made over the course of the year up to February 1, 2019.

Please note that if your company's product or service is related to snow and ice, or road operations, you can not sponsor without signing up for an exhibit. For exhibit information or to sign up for an exhibit space, contact Lysa Byons, APWA's National Exhibit Manager at 816.595.5243 or lbyons@apwa.net.

On behalf of the Utah Chapter of APWA, and the 2019 North American Snow Conference Committee, we thank you in advance for your support

Warm regards,
Ed Rufener,
Utah Chapter President
